A WORD FROM GRATEFUL AMERICANS CHARITY:

Our Mission is to provide resources that support programs aimed at ending Veteran homelessness and suicides, while combating the invisible wounds of war such as Post Traumatic Stress Disorder (PTSD). According to the Department of Veteran Affairs (VA), we lose 20+ Veterans a day to suicide. The Veterans Health Administration estimates that number to be at least double (44). We must support our Veterans suffering from PTSD to end these tragic losses of life.

Since 2016, we have donated \$3 million dollars to benefit the PTSD Foundation of and its dedicated interim housing and counseling facility known as Camp Hope in Houston, Texas. The program at Camp Hope is designed for combat Veterans that have found themselves in crisis and are asking for help. After months of support and brotherhood from other combat Veterans, these heroes find ways to cope and heal. They also bring the Veteran's family into a positive, healing environment; providing resources and programs for their healing as well. Grateful Americans Charity embraces Veterans and their families as they seek the rewarding and fulfilling lives they so richly deserve.

The programs provided by the PTSD Foundation of America and its Camp Hope remain free to combat Veterans and their families, so they can focus solely on their recovery. This is why Grateful Americans Charity was established.
